

Dockets Management Branch (HFA-305) MAY 21 P2:34
Docket No. 98N-1265 5504
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: If you limit the number of
prescriptions shipped out of state,
I will either have to take a
one-size-fits-all pill which
increases my chances of breast
cancer or take nothing and
be awakened several times
each night by night sweats !!!
Please do not reduce the
quality of my life in this manner.
